UNIVERSITY OF TORONTO

(THE PROVINCIAL UNIVERSITY OF ONTARIO)

UNIVERSITY EXTENSION

EXTENSION LECTURES

These lectures are offered to the public so that it may be possible for those interested, in any part of Ontario, to avail themselves of either single lectures or short courses of lectures on literary and scientific subjects. If requests are made for lectures not found on the present list, an effort will be made to provide them.

The cost of each lecture, if given within the Province of Ontario, consists of the lecturer's travelling and entertainment expenses, plus five dollars. On his return from delivering a lecture, the professor reports to the Extension Office the amount of his expenses; this information is sent forward to the person who arranged for the lecture and a cheque, made payable to the lecturer and at par in Toronto, is then mailed to the Extension Office.

The Faculty of Medicine, University of Toronto, in co-operation with the Ontario Medical Association, offers lectures to medical organizations throughout Ontario. Particulars regarding these may be obtained from the Secretary of that Faculty.

All correspondence with regard to lectures, and all money paid for lectures or for lecturers' expenses, should be sent to the Director, University Extension, University of Toronto.

W. J. DUNLOP,
Director, University Extension.

University of Toronto,
August 1st, 1922.

LECTURES

E. A. Allcut, M.Sc., Birmingham, Associate Professor of Thermodynamics, Faculty of Applied Science and Engineering.

1. Arnold Bennett—A Novelist of the Potteries.
2. Birmingham—An Irish Humourist.
3. Frank Buckland—A Great Naturalist.
